Fill out all Seeding sheets for each of your athletes and only add the Highest Placement Prestige points to your Athlete's record totals. To accommodate various section's/states' placement systems in multiple divisions, prestige points will only count to 4th in the sectional/district tournaments. Placement in the previous Windsor Christmas tournament will follow sectional placement, with class placements melded in as well. *We will not use head to head criteria to separate close athletes.*

Regardless of points, **State Place Winners and Section Champions** only may be moved in seeding for common sense purposes as agreed to by coaches in past tournaments. Past and previous records are added first, (Varsity Matches Only!) then prestige points will be added to record totals.

These Seeding sheets are due to me by Tuesday, December 27th at 3:00pm or preferably sooner. You can fax them to (607)655-3622 or if you want to email them, send them to jnolan@windsor-csd.org to ensure they are received. *There will be no seeding meeting.* *Athletes are locked in to the weight you fax or email them at. They may not be moved up or down. Also, athletes may be added the day of, however, I don't see this happening too often. If I do not receive your seeding criteria by Tuesday the 27th by 3:00pm your team will be eliminated from the tourney. Seeds will be posted on www.cnywrestling.com in the forums section on Tuesday the 27th as soon as they are finished. (7-8pm)

Calculations: All wins = 5 points All losses= -3
 Example:
 Joe Smith was 20-10 in 10-11.
 He gets 100 points for wins minus 30 points for losses
His previous year's record points = 70 points

This year he is 10-2
 He gets 50 points for wins minus 6 points for losses
This year's record points = 44 points
Total record points = 114
 Joe also placed 3rd at the sectional tournament. **Prestige Points = 65**
Joe's total seeding points: 179

***ONLY the highest placement accomplished should be awarded for prestige points.** Do not add class points to sectional points ETC. Take the highest point value from the chart for your athlete's prestige points.
